The House the House Built 2027

Habitat for Humanity of Indiana | March 2027

Sponsorship Levels and Benefits

Join Habitat for Humanity of Indiana as we build a home at the Statehouse in March of 2027. Legislators will work side-by-side with the Habitat for Humanity homebuyer to build the exterior and interior walls of their home. The event will shine light on the desperate need for starter homes in Indiana and focus on ways that **TOGETHER** we can ensure homeownership opportunities are available to every Hoosier.

Donations should be made to Habitat for Humanity of Indiana. Visit the QR code to make a donation or mail a check to the address listed at the bottom of this flyer. In addition to the benefits listed below, donors can receive half of their gift back in the form of an Indiana State tax credit through the Attainable Homeownership Tax Credit. This will directly reduce the amount they owe in state income taxes. Contact Gina Leckron for more information.
